JOINTING & EDGE FINISHING: PROGRAM FOR ASIAN MACHINES

KDT WOODWORKING
MACHINERY

Nanxing

CAELUS

LEUCO offers original designs for re-ordering cutters for the jointing and edge-finishing aggregates of machine manufacturers and distributors such as **KDT, Nanxing, Caelus, Lohmeyer, and masterwood®**. Additional dimensions are available upon request.

Your Benefits

- ✓ Cutters are precisely matched to OEM specifications
- ✓ Same geometry, fit, and performance as the original equipment for reliable machining processes you're used to
- ✓ Available from stock with short lead times

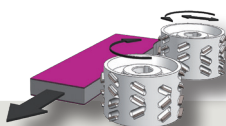

Simply read. Compare accurately. Order with confidence.

- ✓ Remove the original tool from the machine
- ✓ Read the dimensions and specifications directly from the tool
- ✓ Compare this information with the specifications for LEUCO cutters for KDT and Nanxing
- ✓ If the relevant specifications match, the replacement tool will fit perfectly
- ✓ Order/require: from your tool expert or at www.shop.leuco.com

TIP:
Your original tool is the easiest way to find a suitable replacement.
